

SECOND-HAND STALL

In addition to the main auction there will be a second-hand stall for the sale of your smaller unwanted items. A commission of 10% payable to Sussex Beekeepers Association will be deducted from the total value of your items sold.

Items **will only be accepted** for sale if they are:

- Bee related
- Clean
- Serviceable

- Please **prepare** as much as possible in **advance**:
- Print and complete this form. Bring it with you on the day.
- The CODE (on the next page) will be your full initials.
- Number each item sequentially in the left-hand column; include a brief description and the price you expect to be obtained for its sale.
- Each item will be uniquely identified by your initials and the sequential number, for example ABC/1, ABC/2...etc.
- Before display for sale, small labels will need to be affixed to each item bearing the identifier (ABC/1 etc) and its price.
- It would be helpful and less prone to error if vendors could prepare for this beforehand but **Forms** and suitable **labels** will also be available on the day.
- **The Proceeds** of your sale less 10% SBKA commission may be collected in cash from the Treasurer at the conclusion of business or paid later by direct transfer to your account or in the form of a cheque by post.
- Unsold items must be collected by the vendor before or at the close of business. No responsibility is implied or accepted for unsold items not so reclaimed.
